WILTSHIRE CONTINENCE SERVICE TWOC CLINIC

Wiltshire Continence Service has recently set up a Trial With Out Catheter clinic in The Central Health Clinic, Salisbury. This is primarily for post op gynae and post partum patients but others can be accommodated if needed.

When
Thursday mornings from 09.00

Where
The Central Health Clinic
Avon Approach
Castle Street
Salisbury
SP1 3SL
Tel: 01722 323196 Fax: 01722 417854

How to refer

1. Complete continence service referral form (located on ICID). Please include as much relevant history as possible as we don’t have access to medical notes. Also advise us whether the catheter is due out in 1 or 2 weeks.
2. Include patients’ tel. number(s) and advise them that we will ring them to discuss their attendance at the TWOC clinic.
3. Give patient leaflet detailing day, times and clinic venue. ( will be added to ICID in due course)
4. On the day of discharge from hospital, fax the referral form to 01722 417854. This is a secure fax direct into the Continence office.

Continence service actions

1. Patient attends for TWOC at Central Health Clinic in Salisbury.
2. If successful patient is discharged and offered a 3 month follow up appointment for further bladder/pelvic floor advice.
3. If unsuccessful patient is either re-catheterised and booked to attend for TWOC the following week or taught intermittent self catheterisation.(ISC)
4. Patients GP and referrer/Consultant informed of the outcome.
5. If patient commences ISC they will be followed up by The Continence Service.
